Skip to Main Content Education for Ministry (EfM) is a unique four-year distance learning certificate program in theological education based upon small-group study and practice. Because of the age of this application, the programs supported by this platform are not able to benefit from the technological improvements in accessibility, security, and HTML5 (non-Flash) that we have incorporated into our newer programs and platforms in recent years. Classzone.com has been retired and is no longer accessible. If you want to retrieve your user data from the platform that is no longer accessible, please contact techsupport@hmhco.com or 800.323.9239 and let us know that you're contacting us about user data extraction from Classzone.com. Please note, user data extraction does not include program content. EfM seminar groups meet in local settings and online, and provide a four-year curriculum that develops a theologically informed, reflective, and articulate laity. Since its founding in 1975, this international program has assisted more than 100,000 participants in discovering and nurturing their call to Christian service. Loading... Learn more about HMH's newest classroom solutions. EfM helps the faithful encounter the breadth and depth of the Christian tradition and bring it into conversation with their experiences of the world as they study, worship, and engage in theological reflection together. A The program invites participants into small, mentored groups that provide the framework for understanding life and shaping actions as Christian faith is deepened.
